

# Industrial Switchgear

## Main Catalogue 2004/2005

<b>NEW</b>			<b>1</b> New Items
<b>Control and Indication</b>	<b>xCommand</b>		<b>2</b> RMQ-Titan, RMQ16 control circuit devices SL signal towers
	<b>xCommand</b>		<b>3</b> LS-Titan, AT4, ATR position switches LSI, LSC, LSO inductive, capacitive, optical proximity switches MCS, MCSN pressure switches <b>NEW</b>
<b>Switching and Control</b>	<b>xSystem</b>		<b>4</b> easy control relays, MFD multi-function displays, Mini contactor relays, electronic timing relays, Electronic safety-, measuring- and monitoring relays <b>NEW</b>
	<b>xStart</b>		<b>5</b> DILM7 - DILM65 Contactors DILEEM - DILM1000 - DILH, DILP Contactors Contactors for three-phase capacitors, Contactor combinations <b>NEW</b>
	<b>xStart</b>		<b>6</b> ZB, Z motor-protective relays ZEV electronic motor-protective relays EMT thermistor relays for machine protection <b>NEW</b>
	<b>xCommand</b>		<b>7</b> T rotary switches, P switch-disconnectors up to 315 A
<b>Switching and Protection</b>	<b>xStart</b>		<b>8</b> PKZM01, PKZM0, PKZM4, PKZ2 motor-protective circuit-breakers <b>NEW</b>
	<b>xStart</b>		<b>9</b> Fuseless motor-starter combinations <b>NEW</b>
	<b>xEnergy</b>		<b>10</b> NZM 1, 2, 3, 4 circuit-breakers up to 1600 A NZM 7, 10 circuit-breakers up to 630 A N, PN, P switch-disconnectors up to 1600 A <b>NEW</b>
	<b>xEnergy</b>		<b>11</b> IZM circuit-breakers IN switch-disconnectors from 630 A up to 6300 A
			<b>12</b> FAZ, AZ miniature circuit-breakers FI residual current devices, modular installation devices Enclosures for miniature circuit-breakers Fuse enclosures <b>NEW</b>
<b>Matching of Voltage and Current</b>			<b>13</b> ST, ET, DT transformers
<b>Power Distribution</b>			<b>14</b> CI insulated enclosures CI insulated distribution boards, box type
<b>Motor Starting and Control</b>	<b>xStart</b>		<b>15</b> Drives - Basic principles - Overview
	<b>xStart</b>		<b>16</b> XS1 networkable motor-starters KLAS motor-starter combinations
	<b>xStart</b>		<b>17</b> DS4 semiconductor contactors and softstarters DM4 softstarters
	<b>xStart</b>		<b>18</b> DF5, DF6 frequency inverters DV5, DV6 vector frequency inverters
<b>Approvals</b>			<b>19</b> Approvals for world markets Shipping classifications
<b>Information</b>			<b>20</b> General, Index Moeller addresses, international
